ABOUT US

Community Contact Magazine has always been passionate about supporting local businesses. In 2014 we decided to create a print and online magazine for local businesses to reach a local audience at an affordable price.

WHAT MAKES US DIFFERENT?

We are dedicated to offering business owners an affordable platform to reach their customers. Our lifestyle magazine is designed to be competitive on cost and content, making advertising with us an option for everybody.

COMPELLING CONTENT

We believe that in order for your advertising to be effective, we needed to create a magazine that people want to read. We have regular features that our readers enjoy, as well as new engaging content in every issue. Our magazine also has a handy food and drinks guide, where to shop and delicious recipes to follow at home.
